

MARIE CLOUD

INSTRUCTIONAL DESIGNER

214-966-3263 | 906 Green Brook Drive, Allen, TX | marie.cloud1010@gmail.com | www.linkedin.com/in/marie-cloud

TECHNICAL SKILLS

- **Instructional Design**
 - Digital Curriculum Assets
 - Articulate 360, Captivate
 - Digital Content and Multimedia Learning
 - K-12 Curriculum
- **Learning Management System (LMS) Administration**
 - Learning Management Systems ()
 - Content Authoring Tools
 - Educational Technologies
- **Project Management**
 - Planning and Organization
 - Task Management
 - Timeline Development and Management
- **Data Analysis**
 - Data/Survey driven Instruction
 - Integrating Feedback into Instructional Materials
 - User Testing and Analyzing
 - Data Tracking and Documentation
- **Collaboration and Communication**
 - Cross-functional Team Environment
 - Professional Development Facilitation
 - Instructor-led Training
- **Technology Proficiency**
 - Google Suite
 - LMS Softwares
 - Microsoft Office
 - Articulate 360
 - Adobe Captivate

WORK EXPERIENCE

Intervention Specialist | Imagine Learning

Sep 2024 - Present

- Collected and analyzed data for small group instruction.
- Facilitate small group virtual Math intervention for K -12

Gifted and Talented Teacher K-3 | Lovejoy ISD

Feb 2014 - May 2024

- Elevated academic rigor for gifted students through accelerated, developmentally appropriate curriculum design.
- Spearheaded campus-wide enrichment initiatives, emphasizing project-based learning methodologies and STEM.
- Utilized data systems to inform instructional decisions, implementing data-driven instruction.
- Developed and aligned district curriculum to ensure consistency across grades and integrated into district LMS.
- Designed interactive learning tools, including videos and simulations, aligning with curriculum standards and instructional goals.
- Integrated learning content within Learning Systems, enhancing LMS use and student engagement.
- Leadership and Training: Served as a Team Lead, facilitated professional development workshops, and participated in various district committees.

Kindergarten Team Lead | Lovejoy ISD

- Collected and analyzed data for campus grade level.
- Made Recommendations on improvement for scope and sequence of grade level curriculum.
- Supervised implementations of new systems and instruction.

Site Coordinator | Lovejoy ISD

- Created and implemented weekly scheduling for after-school and summer programs.
- Facilitated employee training and onboarded new coordinators and employees.
- Built customer relationships, ensuring high satisfaction and engagement.

2nd Grade Teacher | Terrell ISD

Aug 2016 - May 2017

- Created data-driven lessons to enhance student learning outcomes.
- Built strong parent and classroom connections to support student development.
- Participated in district professional development, staying updated with best practices.
- Collaborated with colleagues to design interactive and engaging learning experiences.
