Iterative Sprint Development

This document outlines how Agile methodology was applied during the sprint development of the Leadership Development for Mid-Level Managers course.

1. **Sprint Planning Overview:**
- Sprint 1: Module 1 - Leadership Styles
- Sprint 2: Module 2 - Communication Strategies
- Sprint 3: Module 3 - Decision Making & Problem Solving
- Sprint 4: Module 4 - Performance Feedback

2. **Key Deliverables:**
- Storyboards and visual outlines after each sprint
- Weekly client check-ins for review and feedback

3. **Results:**
- Faster delivery timelines
- Higher alignment with client expectations
- Incremental improvements based on continuous input
